Dear Mr. Nakai:

The Minority and Women's Business Division is registering your company as a Minority-owned Business Enterprise on the basis of information provided under oath in your registry application. The registration of your company is a confirmation of the fact that statements made in the application meet the criteria for designating your company a Minority-owned Business Enterprise. This letter is not a confirmation of the substance or accuracy of the statements themselves, or an official verification or certification and should not be used as such.

Information about your company's services will be forwarded to other New York State agencies, by the circulation of a registry in which the name of your company and the nature of its business is now listed. Should you have further questions, please do not hesitate to call the Minority and Women's Business Division at (212) 309-0440.

Best wishes for success.

Sincerely,

Jacqueline Nieves
Business Development Specialist
